Location

Project  
Need

Project  
Funding

- Heavy Usage
  - Coast Highway serves over 23,000 residents of Laguna Beach and over 6 million visitors each year
  - Reduce impact to the traveling public (SB1)
- ADA Compliance
  - Caltrans is legally obligated to upgrade all pedestrian facilities within State Right-of-Way
  - New and improved sidewalks
  - Make other improvements to meet ADA standards
  - Rehabilitated pavement to enhance reliability
  - Wider, striping for increased visibility

**ESTIMATED START OF CONSTRUCTION**  
LATE 2021

**ESTIMATED COMPLETION**  
MID 2023

Caltrans and the City of Laguna Beach are committed to completing this project in a timely and efficient manner and seek to minimize construction impacts along Coast Highway during the summer season. Therefore, construction will be suspended from Memorial Day through Labor Day.

All estimates are subject to change.
